

Library

LIBRARY

The library provides information and ideas that are fundamental to functioning successfully in today's information and knowledge-based society. It equips students with life-long learning skills and develops the imagination, enabling them to live as responsible citizens. The school library offers learning services, books and resources that enable all members of the school community to become critical thinkers and effective users of information in all formats and media.

Objectives of Library

- Effectively participate in the teaching-learning programme of the school;
- Provide the students with appropriate library materials both printed as well as audio visual and services for the overall growth and development of the personality of the students as an individual;
- Develop reading ability and interest, and inculcate love, enjoyment and pleasure of reading amongst the students;
- Assist the students to become skillful and discriminating users of library;
- Offer opportunities for experiences in creating and using information for knowledge, understanding, information and enjoyment;
- Support all students in learning and practical skills for evaluating and using information, regardless of form, format or medium, including sensitivity to the modes of communication within the community;
- Stimulate and guide each student in the selection and use of books and other reading materials for the building of taste at appropriate level of maturity;
- Workout a programme in consultation with teachers for the effective use of all types of library materials;
